**FIRST MEETING APRIL 24, 2006
AGENDA**

1. Introductions
2. Background & Purpose of COJAC and this subcommittee
3. Review COD Action Plan for California
<http://www.cojac.ca.gov/pdf/STATE%20ACTION%20PLAN.pdf>
 - ❖ The big picture: priorities and strategies
 - ❖ Priority Five: Increase the supply of appropriate housing to support the needs of persons with COD
 - ❖ What actions are already underway and what steps are needed to ensure participation of stakeholders with understanding / responsibility for COD?
 - Opportunities related to implementation of MHSA (Prop 63)
 - Regional Trainings: Building A Collaborative for Successful Housing
 - ❖ Do we need to revise timeline & estimated completion dates for action steps?
4. Developing a compendium of housing models that meet the needs of persons with COD: proposed framework for sharing information and resources
5. Next steps: future subcommittee meetings and follow-up activities
